Dt: 03.10.1929, 2. B.P.87 Dt: 17.10.1929, 3. G.O.Ms.No. 2808 Rev. Dt: 28.10.1939 and 4. B.P. Press 108 Dt: 27.11.1939. 4. The above position shows that the BSO 15(26) exists since the date of the issue of the above orders. 5. The said BSO 15(26) lays down that all conditions subject to which the land is assigned or sold should be specified in the D Form or in the " form of order of assignment by sale" printed in Appendix V. 6. The D form patta prescribed under BSO 15(26) available, shows that it contained 21 conditions and some of them are incorporated from time to time and wherever such conditions incorporated subsequently, the relevant provisions of the GOs are mentioned. When the GOs are not mentioned under such incorporated conditions, it shall be deemed that they are the original conditions as envisaged under BSO 15(26). 7. One of such original conditions is the condition No. 1, which reads "Land assigned shall be heritable but not alienable." 8. Thus, the Govt. claims interest in the property. 9. As per the order Dt: 29.01.2016 in WA No.1063/2013 of the Hon'ble HC, such lands, where the Govt. claims interests in such properties, can be prohibited u/s 22-A(1)(e).
